A: Alexandra House, 17-19 Queen Square,
London WC1N 3AZ
P: +44 (0) 7308 176007

EDUCATION

University College London Institute of Cognitive Neuroscience MPhil/PhD – Thesis: Spatial and conceptual representations * Supervisor: Prof. Neil Burgess	London, UK 2023–2027
University College London MSc in Machine Learning, Merit – Thesis: “Manifold Alignment of Graph Embeddings in Hyperbolic Space” * Supervisor: Prof. Bradley Love	London, UK 2020–2021
King’s College London BSc in Physics with Theoretical Physics, First-Class Honours – Thesis: “Cellular Computing & Artificial Cells” * Supervisor: Prof. Mark Green	London, UK 2017–2020
Università Vita-Salute San Raffaele BA in Philosophy, 108/110 – Thesis: “When Matter Thought Itself” * Supervisor: Prof. Gianvito Martino	Milan, Italy 2014–2017

EXPERIENCE

University College London Research Assistant - Space & Memory Group (Prof. Neil Burgess) – Aim: investigate the role of neural firing rate adaptation effects on hexadirectional modulation effects.	London, UK 2022–2023
Mappin Technologies Ltd Co-Founder & Chief Executive Officer – Mappin Technologies develops indoor navigation solutions for large indoor venue owners, users and administrators.	London, UK 2019–2020
The Hebrew University of Jerusalem Research Intern - The Burak Lab (Prof. Yoram Burak) – Aim: developing a ring attractor network model of place cells.	Remote Summer 2020
Fermi National Accelerator Laboratory Summer Material Analyst - Applied Physics & Superconducting Technology Division (Dr. A. Grassellino) – Aim: understanding the causes and effects of different surface roughness in nitrogen doped SRF cavities.	Chicago, IL Summer 2019
King’s College London Research Fellow - Randall Centre for Cell & Molecular Biophysics (Dr. Attila Csikász-Nagy) – Aim: computationally investigating robustness of patterns in reaction-diffusion systems on complex networks.	London, UK Summer 2019

SKILLS

• **Programming:** Python, Julia, Fortran, Matlab.

LANGUAGES

• Italian, English, French.

AWARDS

• King’s Experience Research Award 2019
